

SEPARATING THE BOYS FROM THE MAN.

Bare tanks are available in vertical or horizontal with various linings and coatings. Jacketed and insulated tanks are also available.

PermaTank has pump tanks in all sizes, shapes and gallons. We also have storage tanks that are two stories high and hold 12,500 gallons. We affectionately call him **"BIG BOY."**

For a brochure of our full line of storage tanks, call: (800) 365-4300 or E-mail: bray@hotwater.com.
