SHIPPING POLICY:

Tanks must be ordered in skid quantities. Skid quantities are listed in the model detail.
Full truckload = 24 to 26 skids

TRANSPORTATION CLAIMS:

Merchandise shipped to our customer becomes property of the buyer upon receipt by the carrier. It is necessary that the merchandise be carefully inspected upon receipt to ensure the units are damage-free. In event of either merchandise shortage or damage, the buyer's receiving agent should have the carrier's agent make notation of the condition or shortage on their receiving report so a claim can be filed against the carrier. If damage is discovered after unpacking, the carrier should be notified at once, so inspection can be made and the claimed damage substantiated by the carrier. The buyer under any circumstance must file the claim.

RETURN OF MERCHANDISE:

No merchandise may be returned to the factory or warehouse for credit without prior written authorization from A. O. Smith. If merchandise is returned (providing it is new and unused), it must be sent freight prepaid and will be subject to a 25% restock charge for standard products and 30% for non-standard products. All merchandise returned without prior authorization will be refused and returned to the customer with any incurred expenses charged back to the customer.

In keeping with our policy of continuous product improvement, we reserve the right to make minor changes in product specifications or price without prior notice.
